The Grantor acknowledges that as the importer of record, the payment of duties under 19 C.F.R.>R> Section 141.1 is the personal debt of the importer. The liability for duties, both regular and additional, attaching on importation, constitutes a personal debt due from the importer to the United States which can be discharged only by payment in full of all duties legally accruing, unless relieved by law or regulation. Payment to a broker covering duties does not relieve the importer of liabilities incurred from the importation of merchandise into the United States.
