

DAF Barrier Analysis Working Group Informational One-Pager

CAO: 30 June 2023

The Department of the Air Force Barrier Analysis Working Group (DAFBAWG) is comprised of teams of volunteer employees and service members who bring a grassroots perspective, that analyze anomalies found in civilian and military workplace policies, procedures, and practices with an eye toward identifying their root causes, including determining if those root causes are potential barriers to equal opportunity, diversity and inclusion, and devising plans to eliminate them.

VISION	To eliminate artificial barriers with employing, advancing, and retaining Black/AA Airmen and Guardians.	To retain and develop current employees and military members, recruit new talent, and remove barriers to opportunity and inclusivity by providing support to Airmen and Guardians with disabilities through policy changes, career development, and professional networking.	A preeminent Air & Space Force that values, celebrates, and incorporates the rich and varied cultures, traditions, and contributions of Hispanic Airmen & Guardians at every level of the Department of the Air Force.	A community of Indigenous Peoples perpetuating a legacy of honor through their humble advancement in service to their traditions and the preservation of traditions and respect for all.	To be the light that illuminates the path towards change, acceptance, and equality for all of those that came before us and those that will come after us.	A Total Force where culture is celebrated and recognized to create an organization where all can advance to their maximum potential regardless of race or ethnicity, and all removable barriers to opportunity have been eliminated in order to leverage the full value in diversity of thought, ingenuity, and initiative of our Air and Space personnel.	Identify barriers to women's service in the Department of the Air Force and Department of Defense that influence and impact women's propensity to serve and advocate to eliminate those barriers through policy change.
MISSION	To review and analyze guidelines, programs, data and other information for barriers to employment, advancement, and retention of Black/AA military members and civilian employees; and provide recommendations to DAF leadership.	To make positive change by promoting greater awareness and understanding of people with disabilities through advocacy and mentorship throughout the Department of the Air Force.	To value, leverage, and incorporate the rich and varied cultures, traditions, and contributions of Hispanic Airmen and Guardians by providing the full range of professional development experiences and eliminating barriers to service in roles of progressively greater responsibility, thereby bolstering the world's preeminent Air and Space Force.	Provide pivotal advocacy for American Indian and Alaskan Natives within the DAF through the changing of policies, recruitment and outreach in all areas, and the creation of a community of encouragement, belonging and support, to preserve culture and honor traditions.		To champion Department of the Air Force policy changes as the influential and authoritative advocate for the Asian American, Native Hawaiian, & Pacific Islander community, in order to break barriers affecting all Airmen and Guardians and uphold the propensity to serve in all ranks, military and civilian.
