Mr. Fly

- Turnover between Admin
- Safety assessment about bike lane
- Bridge closure-
  - Bus not offered from North Side
  - Transportation guy shared the bus was for south side
- AAFES-
  - Questions about trays and individual utensils (UPDATE- back to normal)
- Kinder- we have one kinder for next school year, could there be a second class? UPDATE-and one Kinder/First grade combo class due to enrollment; Second/Third grade class is having success also with great support
- UPDATE from ADMIN- we are getting an additional teacher to create another Second-grade class; awaiting the start date of the second class; two candidates and both have teaching credentials
  - Question asked if there is a way to educate parents about the multi-grade class
- Enrollment numbers were discussed
  - Based upon enrollment at the end of October
- Asked if gaining commands could share with schools about incoming families and possible enrollment
- End of year report was shared
- Timeline of when teachers should respond to parents
  - Teachers should respond within 24 hours of a working day (weekends do not count)
- Asked about potential SAC members for next school year- share in newsletters

Unfinished business

- n/a

New business

- SAC training stated the agendas published to Facebook and shared to Mr. Fly one week prior to our meeting
- Available in the school's front office, Military instillation Commander's office, school website
- Create a list specifically asking for our needs for a command to adopt us

Adjourned meeting at 1557
