

374th Medical Group Services

Current as of 23 Nov 2020

Facemasks are mandatory for all personnel entering the MDG. Exceptions are for patients under 2 years old or patients in respiratory distress if the mask will hinder breathing.

If you are experiencing any of the following symptoms, fever, cough, or shortness of breath, or at least TWO of the following, chills, muscle pain, diarrhea, headache, sore throat, congestion, vomiting, or new loss of taste and smell, **DO NOT** go directly to Urgent Care. Contact the Medical Group COVID-19 Triage Hotline at 225-8864, Opt 7.

 **Normal Operations**  **Limited Operations**  **Urgent/Emergency Operations Only**
