Vol. 3, Issue 3

May/June 2017

A publication of the Yokota Retiree Activities Office (RAO) whose mission is to support the base commander in providing information and assistance to military retirees, their family members, and surviving spouses residing in the local area. Articles appearing in this newsletter are compiled from various government sources. Information has been edited and reprinted for the benefit of our retiree population. While every effort has been made to ensure the accuracy of the information herein, no absolute guarantee of accuracy or currency can be given nor should be assumed.

**2016 Tax Filing Deadline:** The April 18th tax filing date has come and gone. 750 tax returns were prepared and filed; many belonging to members of the retired community.

However, no need to worry if you still need help doing your 2016 taxes. The Yokota Tax Center operated by the Legal Office will remain open until June 15th.

This is because US citizens and others required to file a US tax return and are living overseas receive an automatic filing extension until June 15th.

However, this extension only applies for filing the return not for paying taxes you owe. So you will most likely be assessed interest on unpaid taxes.

Telephone numbers to call for an appointment: DSN 225-4926/4927, from off base 552-2510 ext.

### **Foreign employment needs approval:**

Military retirees seeking any civil employment with a foreign government agency -- or any instrumentality of a foreign government agency -- must apply for permission in advance or risk losing their military retirement pay.

For retired Airmen, the Secretary of the Air Force and Secretary of State serve as approval authorities for requests, though the Air Force Personnel Center’s Retiree Services section functions as the administrative manager of the Foreign Government Employment program. More information regarding this subject can be found at: <http://www.retirees.af.mil/Library/>. (Source: AF Retiree Services)
